## 1. Introduction

Export Inspection Council of India offers a fast and efficient e-Health Certification service for their approved seafood processing establishments. At present this facility is available only for the European Union (EU) approved processing establishments for consignments of marine products meant for export to EU only.

To avail this facility the approved establishment (if desires to have the health certificate for fishery products requirements laid down in Article 12(1) and (2) of Regulation (EC) No 854/2004 and contained in Part I.11. of the model health certificate for imports of fishery products intended for human consumption established in Appendix IV to Annex VI to Regulation (EC) No 2074/2005.) has to register themselves. For export to EU, establishment shall fill up an application form online (by using their User Name and Password), and then approach the nearest office EIA, along with enclosures, for collecting the original health certificate

EIA officials who are authorised by EIC shall login with their respective User Name and Password allotted to them to process the pending applications.

## e-Health Certification System

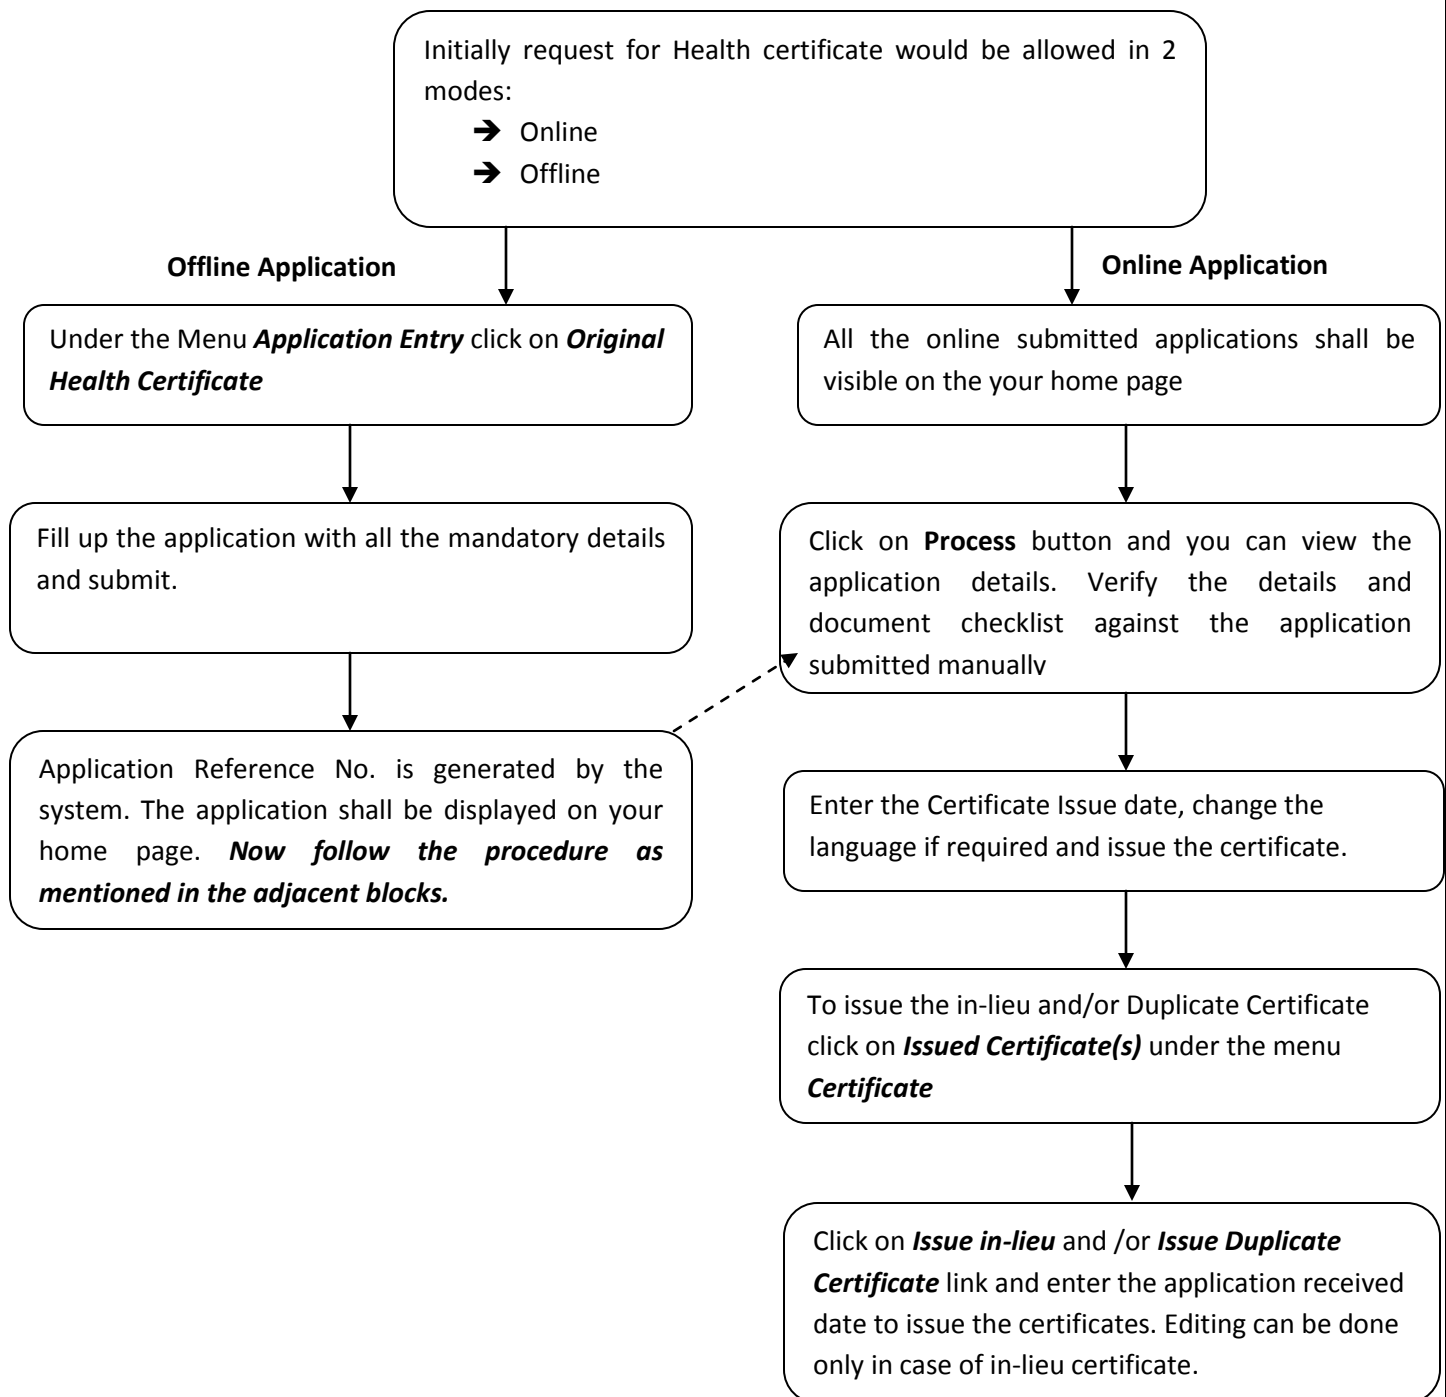

---

### 2(a) Steps to be followed to Issue Health Certificate

Sl.No.	Steps
1.	Login details (Username & Password) of approved establishments for EU will be provided by EIC.
2.	On receipt of the request for user ID and password from the approved establishment, EIA office shall provide the same to the authorized person of the establishment either on their registered E mail ID or by post.
3.	The log in details (user name and password) shall be provided by EIC to all EIA officials who shall issue the health certificate.
4.	E-health certification application can be accessed either through :  EIC website <a href="http://www.eicindia.gov.in">www.eicindia.gov.in</a> and click on the link “e-health certification” under the heading “ <b>Exporter Services</b> ” or e-health certification can be accessed directly through the site <a href="http://www.eiconline.in">www.eiconline.in</a>
5.	Officer shall login into the system and verify the details filled by the establishment and also verify the originals submitted by the establishment. If the same is in line with Executive Instruction, the health certificate shall be issued. The details steps are stated in the subsequent sections.

# e-Health Certification System

## 2(b) Steps to be followed (contd...)

### 3. How to access the system

The system can be accessed by using the link [www.eiconline.in](http://www.eiconline.in) using any standard web browser like Internet Explorer, Firefox etc. All EIC Authorised officers stationed at EIA Head Office / Sub office have been given login details which comprises of a user id and password to login into the system.

In case you have forgotten the login details, contact EIC, HQ to retrieve the same.

Since it is a web enabled system, it can be used 24\*7 by all the Authorised Officers.

*Kindly peruse the guidelines mentioned in the subsequent sections of this document to use the system without any interruption.*

### 4. How to Login

Enter the given user id and password in the respective fields for login. It will direct you to the Home page of the application.

The screenshot shows the login interface for the Export Inspection Council of India's e-Health Certification system. The header features the council's logo, name in Hindi and English, and the Ministry of Commerce and Industry. The main content area includes a login form with fields for User Name and Password, a 'Sign in' button (highlighted with a red circle), and links for 'About Online System', 'Procedure', 'Roles', 'Resources', and 'Contact Us'. Below the login form are sections for 'TRACK YOUR APPLICATIONS' and 'VERIFY HEALTH CERTIFICATE', each with an input field and a 'GO' button. A detailed paragraph on the right explains the service and the registration process for establishments.

Export Inspection Council of India offers a fast and efficient e-Health Certification service, for their approved seafood processing establishments. At present this facility is available for the EU approved processing establishments, for the consignments of marine products meant for export to European Union only.

To avail the said facility the approved establishment ( if desires to have the health certificate for fishery products requirements laid down in Article 12(1) and (2) of Regulation (EC) No 854/2004 and contained in Part I 11. of the model health certificate for imports of fishery products intended for human consumption established in Appendix IV to Annex VI to Regulation (EC) No 2074/2005.) has to register (for once only) themselves. For export to EU, establishment shall fill up an application form on-line (by using their User Name and Password), and then approach the nearest office EIA, along with enclosures, for collecting the original health certificate. The health certificate applied on-line & enclosures submitted before 17.00 Hrs. (if all requisite enclosures are in order) shall be issued on the same day. Any request for issuance of health certificate received after 17.00 Hrs. is liable to be processed on next working day.

EIA officials who are authorised by EIC shall login with their respective User Name and Password allotted to them to process the pending applications.

### 5. How to use Authorized Officers Login

The Authorized officers can issue the health certificate for the given 2 scenarios:

5a. Issue health certificate for Applications submitted Online

5b. Issue Health certificate without an Online Application

#### 5a. Issue health certificate for Application submitted Online

Once the application for Health Certificate is submitted online by the authorized establishment of your jurisdiction, it will automatically be visible on your home page once you login.

The search options in the below figure helps the officers to search any particular application based on the Application reference number, Establishment Name and Period in which the application was submitted. If any one of the above detail is known just enter details in the respective field and click on the **Search** button, selected application will be displayed. To view all the applications submitted click on the **Show All** button.

## Part II : Certification

II. Health attestation	II. a. Certificate reference number EIA/DEL/2012-13/00001	II. b.
------------------------	--	--------

II.1. <sup>(3)</sup>Public health attestation :

I, the undersigned, declare that I am aware of the relevant provisions of Regulations (EC) No 178/2002, (EC) No 852/2004, (EC) No 853/2004 and (EC) No 854/2004 and certify that the fishery products described above were produced in accordance with those requirements, in particular that they:

- come from (an) establishment(s) implementing a programme based on the HACCP principles in accordance with Regulation (EC) No 852/2004;
- have been caught and handled on board vessels, landed, handled and where appropriate prepared, processed, frozen and thawed hygienically in compliance with the requirements laid down in Section VIII, Chapters I to IV of Annex III to Regulation (EC) No 853/2004;
- satisfy the health standards laid down in Section VIII, Chapter V of Annex III to Regulation (EC) No 853/2004 and the criteria laid down in Regulation (EC) No 2073/2005 on microbiological criteria for foodstuffs;
- have been packaged, stored and transported in compliance with Section VIII, Chapters VI to VIII of Annex III to Regulation (EC) No 853/2004;
- have been marked in accordance with Section I of Annex II to Regulation (EC) No 853/2004;
- the guarantees covering live animals and products thereof, if from aquaculture origin, provided by the residue plans submitted in accordance with Directive 96/23/EC, and in particular Article 29 thereof, are fulfilled; and
- have satisfactorily undergone the official controls laid down in Annex III to Regulation (EC) No 854/2004.

II.2 <sup>(2)</sup><sup>(4)</sup>Animal health attestation for fish and crustaceans of aquaculture origin :

II.2.1 <sup>(3)</sup><sup>(5)</sup>[Requirements for susceptible species to Epizootic ulcerative syndrome (EUS), Epizootic haematopoietic necrosis (EHN), Taura syndrome and Yellowhead disease :

I, the undersigned official inspector, hereby certify that the aquaculture animals or products thereof referred to in Part I of this certificate: :

<sup>(6)</sup>originate from a country/territory, zone or compartment declared free from <sup>(4)</sup>[EUS] <sup>(4)</sup>[EHN] <sup>(4)</sup>[Taura syndrome] <sup>(4)</sup>[Yellowhead disease] in accordance with Chapter VII of Directive 2006/88/EC or the relevant OIE Standard by the competent authority of my country,

(i) where the relevant diseases are notifiable to the competent authority and reports of suspicion of infection of the relevant disease must be immediately investigated by the official services,

(ii) all introduction of species susceptible to the relevant diseases come from an area declared free of the disease, and

(iii) species susceptible to the relevant diseases are not vaccinated against the relevant diseases]

II.2.2 <sup>(3)</sup><sup>(6)</sup>[Requirements for species susceptible to Viral haemorrhagic septicaemia (VHS), Infectious haematopoietic necrosis (IHN), Infectious salmon anaemia (ISA), Koi herpes virus (KHV) and White spot disease intended for a Member State, zone or compartment declared disease free or subject to a surveillance or eradication programme for the relevant disease :

I, the undersigned official inspector, hereby certify that the aquaculture animals or products thereof referred to in Part I of this certificate: :

<sup>(6)</sup>originate from a country/territory, zone or compartment declared free from <sup>(4)</sup>[VHS] <sup>(4)</sup>[IHN] <sup>(4)</sup>[ISA] <sup>(4)</sup>[KHV] <sup>(4)</sup>[White spot disease] in accordance with Chapter VII of Directive 2006/88/EC or the relevant OIE Standard by the competent authority of my country, :

(i) where the relevant diseases are notifiable to the competent authority and reports of suspicion of infection of the relevant disease must be immediately investigated by the competent authority, :

(ii) all introduction of species susceptible to the relevant diseases come from an area declared free of the disease, and :

(iii) species susceptible to the relevant diseases are not vaccinated against the relevant diseases]

II.2.3 Transport and labelling requirements :

I, the undersigned official inspector, hereby certify that: :

II.2.3.1 the aquaculture animals referred to above are placed under conditions, including with a water quality, that do not alter their health status; :

II.2.3.2 the transport container or well boat prior to loading is clean and disinfected or previously unused; and :

II.2.3.3 the consignment is identified by a legible label on the exterior of the container, or when transported by well boat, in the ship's manifest, with the relevant ship's manifest, with information referred to in boxes I.7 to I.11 of Part I of this certificate, and the following statement: :

"<sup>(4)</sup>[Fish]<sup>(4)</sup>[Crustaceans] Intended for human consumption In the Community

## e-Health Certification System

### 5b. Issue Health certificate without Online Application

In case the processing establishment has not submitted a manual application, the Authorised officer can enter the application on it's behalf after the physical application has been received.

- Under the Menu **Application Entry** click on **Original Health Certificate** link in the drop down.
- You will get the page of “Application for original health certificate”.

The screenshot shows the web interface of the Export Inspection Council of India's e-Health Certification system. The header features the council's logo on the left, the title "Export Inspection Council of India" in English and Hindi, and the text "Ministry of Commerce and Industry, Government of India" and "e-Health Certification" in the center. On the right, there is an image of fish. Below the header is a navigation bar with links: Home, Application Entry, Certificate, and Logout. A status bar indicates the user is logged in as "Demo" and shows a dropdown menu for "Original Health Certificate" (highlighted with a red circle) and a "Reset Password" link. The main content area is titled "List of Application(s) - Rejected For Health Certificate" and contains search filters for "Application No.", "Processing Unit Name", "Period From", and "Period To". There are "Search" and "Show All" buttons. Below the filters, a message states "No record found..!".

## e-Health Certification System

- The following screen will be displayed. Select the date of receipt of Physical Application and the Processing Establishment for which application needs to be submitted. Based on the selected Processing establishment, system will automatically fetch the relevant information for this establishment from the database like Address, Approval number etc.

The screenshot shows the 'Application for Original Health Certificate' form. At the top, the header includes the Export Inspection Council of India logo, the text 'भारतीय निर्यात निरीक्षण परिषद' (Export Inspection Council of India), 'Ministry of Commerce and Industry, Government of India', and 'e-Health Certification'. Navigation links include Home, Application Entry, Certificate, and Logout. A status bar shows 'Logged in as Demo' and a 'Reset Password' link.

The form fields are as follows:
